In some instances, students may request a GMAT waiver. In order to be considered for a GMAT waiver, students must have taken at least 2 courses in the Pathways program, have extensive professional work experience (at least 10 years) and a strong undergraduate and graduate academic record. Students wishing to be considered for a waiver should attach a statement outlining how they meet these criteria and a current resume.

Students who have encountered extenuating circumstances while taking Pathways classes or who wish to comment on their GMAT scores may attach a separate statement to their Matriculation Request.
