

Ahmad A. Rabaa'i, Ph.D.

Associate Professor of Information System
Department of Accounting and MIS
Alfred Lerner College of Business & Economics
University of Delaware (UD)

Email: arabaai@udel.edu

Office: 004F Purnell Hall

Newark, DE 19716

USA

Professional Focus

Teaching

My teaching involvement occurs on both undergraduate and graduate levels. I have taught in-person, online, and Hybrid courses. I am involved in both introductory and advanced courses in Information Systems, Computer Science, Data Science and Financial Technology.

Research

I believe in rigorous, relevant, and high impact research conducted on Information Systems, to advance organizational as well as individual development to a better future. My research work is multidisciplinary in nature and combines areas of information systems (IS) and social as well as behavioral informatics. My general research interests are primarily in the areas of technology adoption, emerging technologies, information systems implementations and evaluation, and quality assurance in computing education.

Work Experience

- | | |
|-------------------------|---|
| August 2023-
Present | Associate Professor of Information Systems
Department of Accounting and MIS
Alfred Lerner College of Business & Economics
University of Delaware - UD
DE, USA |
| Feb 2021-
July 2023 | Associate Professor of Information Systems
NJCU School of Business
New Jersey City University - NJCU
NJ, USA |
| Sep 2018 –
Jan 2021 | Associate Professor of Information Systems
Department of Computer Sciences and Information Systems
Collage of Arts and Sciences
American University of Kuwait – AUK
Salmiya, Kuwait |
| Jun 2013 –
Aug 2018 | Assistant Professor of Information Systems
Department of Computer Sciences and Information Systems
Collage of Arts and Sciences
American University of Kuwait – AUK
Salmiya, Kuwait |
| Mar 2012 –
May 2013 | Research Fellow
Information Ecology Research Track
Information Systems Evaluation Research Group
School of Information Systems
Queensland University of Technology (QUT) – Australia |

Feb 2006 – Lecturer | Head Tutor at Queensland University of Technology (QUT) – Australia
May 2013 Lecturer | Head Tutor and Tutor at Griffith University (GU) – Australia
Research Assistance at Griffith University and QUT – Australia

Education

2012 Doctor of Philosophy – Information Systems

College of Science and Engineering
School of Information Systems
Queensland University of Technology (QUT)
Queensland, Australia

Thesis Title:

Evaluating the Success of Large-scale, Integrated Information Systems through the Lens of IS-Impact and IS-Support

- Nominated for the outstanding thesis award, QUT.
- Awarded the best Ph.D. proposal at the Doctoral Consortium of the 14th Pacific Asia Conference of Information Systems (PACIS, 2010) National Taiwan University, Taipei, Taiwan.

2007 Master of Management with Honors – (Information Systems Management)

Griffith Business School
Griffith University
Queensland, Australia

Thesis Title:

ERP Implementation in Jordan

2006 Master of Computer Information Systems

Griffith Business School
Griffith University
Queensland, Australia

2005 Bachelor of Computer Science and Information Systems

School of Computer Science and Information Systems
Jordan University of Science and Technology (JUST)
Irbid, Jordan

Publications

BOOKS

Rabaa'i, Ahmad A. (2021) *Enterprise Resource Planning (ERP) Systems Implementation in Jordan*. LeanPub. <https://leanpub.com/erpimplementationinjordan>

Rabaa'i, Ahmad A. (2015) *Evaluating the Success of Large-Scale Information System Applications: Extending the IS-Impact Model*. Scholars' Press. Saarbrucken - Germany. ISBN: 9783639859386.

Invited Talks

- Rabaa'i, Ahmad A.** (2018) Computer crimes in the Gulf Region. The 2nd Kuwaiti Conference on Computer Crimes. Jumairah Hotel, Kuwait.
- Rabaa'i, Ahmad A.** (2017) Benefits and drawbacks of Electronic Human Resources Management Systems. The 1st Kuwaiti Conference on Electronic Human Resources Management Systems. Jumairah Hotel, Kuwait.

Rabaa'i, Ahmad A. (2017) The impact of computer crimes on Kuwaiti context. The 1st Kuwaiti Conference on Computer Crimes. Jumairah Hotel, Kuwait.

Rabaa'i, Ahmad A. (2016) The use of social media applications in crisis and disaster management. The 1st Kuwaiti Conference in the use of ICT for crisis and disaster management. Holiday Inn, Kuwait.

Rabaa'i, Ahmad A. (2015) Construct Validation in Information Systems Research. Faculty Speakers Series, College of Arts and Sciences, AUK – Kuwait.

Rabaa'i, Ahmad A. (2015) Using ICT in Classrooms - the importance of technology in developing the skills of students. The 3rd youth symposium. AUK – Kuwait.

Teaching Records

My teaching record at the University of Delaware, Alfred Lerner College of Business & Economics– USA, includes the following courses:

Business Computing: Tools and Concepts; Fundamentals of Business Analytics.

My teaching record at New Jersey City University (NJCU), School of Business – USA, includes the following courses:

Foundations of Business Information Systems; Introduction to Data Science; Financial Literacy; Statistical and Mathematical Foundations for Business Analytics and Data Science; Fundamentals of Data Visualization for Business Analytics and Data Science; Programming for Business, Quantitative Methods for Business Decisions; Business Intelligence and Data Science; Information Systems and Ethical Issues, Information Systems Analysis and Design, Programming for Business, Current Topics in Financial Technologies, and Data Management.

My teaching record at the American University of Kuwait (AUK) – Kuwait, includes the following courses:

Computers Skills and Emerging Technologies; Foundation of Information Systems; Ethical Issues in Computers and Information Systems, Computer Programming I; Computer Programming II; Data Structures and Algorithms; Database Systems; Information Systems Analysis, Design and Acquisition; E-Commerce Technologies; IT Infrastructure; Computer Networks and Data Communications; IT Audit, Control and Governance; Big Data; Introduction to Data Analytics; Technology Entrepreneurship; Information Assurance; Cybersecurity Management; Enterprise Systems; Business Intelligent Systems; Software Project Management; Operations and Supply Chain Management; Business Process Management; Capstone Project I; and Capstone Project II.

My teaching record at Queensland University of Technology (QUT) – Australia, included the following courses:

Introduction to Information Systems; Web site development for E-Commerce; Web Development; Enterprise Systems Applications; IT Impact; The Web; Industry Insights; The Business of IT; Management; and Working in Business.

My teaching record at Griffith University (GU) – Australia, included the following courses:

Project Management; Business Information Systems; Information Systems & Knowledge Management; Business Intelligent Systems; Business Informatics; Organizational Processes; Operations and Supply Chain Management; Management Concepts; Employment Relations.

Scholarships, Awards and General Recognitions

Scholarships

- Recipient of QUT write-up scholarship, 2012, Queensland University of Technology (QUT) – Australia.
- Recipient of the ITPS research Track Top-Up scholarship, 2011, Queensland University of Technology (QUT) – Australia.
- Recipient of the Information Systems Discipline Top-Up scholarship, 2011, Queensland University of Technology (QUT) – Australia.
- Recipient of the Information Systems Discipline Top-Up scholarship, 2010, Queensland University of Technology (QUT) – Australia.
- Recipient of a 2010 Grant-In-Aid travel scholarship for overseas field studies in Taiwan.
- Recipient of the Australian Postgraduate Award (APA), 2009, Queensland University of Technology (QUT) – Australia.
- Recipient of the International Postgraduate Research Scholarship (IPRS), 2008, Queensland University of Technology (QUT) – Australia.

Teaching Awards

- Recipient of the most supportive professor at the American University of Kuwait, 2015.
- Recipient of the most humorous and friendly professor at the American University of Kuwait, 2014.
- Nominated for the Vice-Chancellor performance award, 2012, Queensland University of Technology (QUT) – Australia.
- Nominated for the Consistent performance award in BSB124 – Working in Business unit, 2012, School of Management – QUT Business School, Queensland University of Technology (QUT) – Australia.
- Nominated for the Consistent performance award in BSB115 – Management unit, 2012, School of Management – QUT Business School, Queensland University of Technology (QUT) – Australia.
- Recipient of the Outstanding Lecturer Award, 2012, School of Information Systems, Queensland University of Technology (QUT) – Australia.
- Nominated for the student choice award, 2012, Griffith University, Griffith Business School – Australia.
- Nominated for the student choice award, 2011, Griffith University, Griffith Business School – Australia.
- Recipient of McGraw-Hill award for excellence in teaching in BSB124, Working in Business unit, 2011, Queensland University of Technology (QUT) – Australia.
- Recipient of McGraw-Hill award for excellence in teaching in BSB115, Management unit, 2010, Queensland University of Technology (QUT) – Australia.
- Recipient of the Outstanding Tutor Award (Highly commended), 2009, Queensland University of Technology (QUT) – Australia.
- Nominated for the student choice award, 2010, Queensland University of Technology (QUT) – Australia.

Research Awards

- Recipient of the best paper award at the 2nd International Business Analytics Conference 2022, April 9, 2022, Mumbai, India.
- Recipient of Project initial grant at the American University of Kuwait, KD 500, 2016.
- Recipient of Project completion grant at the American University of Kuwait, KD 147, 2016.
- Recipient of Project initial grant at the American University of Kuwait, KD 500, 2016.
- Recipient of Project initial grant at the American University of Kuwait, KD 350, 2015.
- Recipient of Project completion grant at the American University of Kuwait, KD 82, 2015.

- Recipient of Project initial grant at the American University of Kuwait, KD 500, 2015.
- Recipient of Project completion grant at the American University of Kuwait, KD 90, 2015.
- Recipient of Project initial grant at the American University of Kuwait KD 500, 2014.
- Recipient of the Outstanding Higher Degree Student Award, 2012, Faculty of Science and Engineering, Queensland University of Technology (QUT) – Australia.
- Recipient of the best PhD proposal award at the Doctoral Consortium of the 14th Pacific Asia Conference of Information Systems (PACIS 2010, ERA A) 2010, National Taiwan University, Taipei, Taiwan.
- Recipient of the best paper award at the Third International Symposium on Innovation in Information & Communication Technology ISIICT 2009, 15–17 December 2009, Philadelphia University, Amman, Jordan.

Academic Excellence Award

- Recipient of Griffith Award for Academic Excellence 2006–2007, Griffith University – Australia.
- Recipient of Griffith Award for Academic Excellence 2005–2006, Griffith University – Australia.

General Recognitions

- Certified Quality Matters (QM) for designing and delivering online courses, since April 2022.
- Certified ABET Accreditation Program Evaluator (PEV) – Information Systems, since May 2019.
- Attended ABET IDEAL workshop New Orleans, USA, January 2015.
- Recipient of the best participant award of the Global Corporate Challenge (GCC) at the Science and Engineering Faculty, Queensland University of Technology (QUT) – Australia.
- Recipient of the best participant award of the Global Corporate Challenge (GCC) at QUT, Queensland University of Technology (QUT) – Australia.
- Invited to deliver a presentation on “How to Manage Your Research Journey”. The presentation was delivered to PhD students at Griffith University – Australia.
- Participate at 2010 Teaching Quality Initiatives – Learning from Exemplars. I delivered a teaching quality seminar to other academics at the Faculty of Science and Technology, Queensland University of Technology (QUT) – Australia.
- Participant at the 2010 PACIS Doctoral Consortium in National Taiwan University, Taipei, Taiwan.
- Participant in the 2010 Sessional Career Advancement Development (SCAD) pilot program. The SCAD Program aims to assist with preparing for a future career in academia by identifying potential skill or experience gaps and developing goals and plans to address these.

Committee Activities/Services

- New Jersey City University, NJCU School of Business, Member of the Curriculum and Assessment Committee, Department of Finance, January 2021 – July 2023.
- New Jersey City University, NJCU School of Business, Member of the Business and Economics Research Committee, September 2021 – July 2023.
- New Jersey City University elected member to the Curriculum and Instruction Committee, University Senate, September 2021 – July 2023.
- New Jersey City University member to the General Education Curriculum Committee, University Senate, November 2021 – May 2023.
- New Jersey City University, Programs’ Development:
 - Master of Science (MS.) in Technology Management
 - Master of Science (MS.) in Business Information Systems
 - Bachelor of Science (BS.) in Business Information Systems
 - Minor in Business Information Systems

- New Jersey City University, Courses' Development:
 - *Graduate Courses:* Information Systems Principles and Ethical Issues; Information Systems Analysis, Design and Acquisition; Business Telecommunications and Technology Infrastructure; Information Systems Project Management; Information Systems Development; Information Systems Security and Risk Management; and Capstone Project in Information Systems.
 - *Undergraduate Courses:* Foundations of Business Information Systems; Information Systems Ethical Issues; Basics of Information Systems Analysis, Design and Acquisition; Principles of Digital Transformation; Basics of Computer Networks and IT Infrastructure; Principles of Information Systems Project Management; and Special Topics in Information Systems.
- American University of Kuwait, Computing Department Chair, June 2015-September 2020. *Responsibilities and duties include:*
 - Led and assisted with accreditation and program reviews (ABET, AACSB, AALE and PUC).
 - Serves in the Dean's Council.
 - Prepare the course offering for the Department.
 - Prepare the budget for the Department.
 - Coordinate the faculty recruitment process for the Department.
 - Prepare the Department annual reports.
 - Conduct class visits and peer evaluation for faculty members in the Department
 - Evaluate and assess transferred credit courses.
 - Hire and supervise student workers for the Department.
 - Secured four industry agreements and memberships (SAP University Alliance, CISCO Academy, Oracle Academy and DELL EMC²) for the Department
 - Work with PR and Marketing Department to update the Department Web site.
 - Prepare and organize the course folders for CSIS courses.
 - Developed indirect measures surveys for course evaluation purposes.
 - Manage other Departmental related issues.
- American University of Kuwait, Chair of ABET steering committee for the Computing Department, Computer Science and Information Systems Programs, June 2015- September 2020. *Responsibilities and duties include:*
 - Reviewed and revised the Program Educational Objectives (PEOs) for both the Computer Science and Information Systems Programs.
 - Reviewed and revised the Student Outcomes (SOs) for both the Computer Science and Information Systems Programs.
 - Aligned the Computer Science curriculum with ABET requirements.
 - Aligned the Information Systems curriculum with ABET requirements.
 - Designed the rubrics for most of the SOs assessment for ABET accreditation.
 - Conducted the Curriculum Mapping for all Computer Science and Information Systems courses.
 - Implemented an assessment plan for all Computer Science and Information Systems courses.
 - Developed indirect measure surveys for course evaluation purposes.
 - Communicated with different organizational units at AUK concerning the writing of the self-study report.
 - Wrote the entire ABET self-study report.
 - Managed other Accreditation related issues.
- American University of Kuwait, Chair of the Industry Advisory Board (IAB) for the CSIS Department, June 2015- September 2020. *Responsibilities and duties include:*
 - Communicated with different industry personnel to join the advisory board of the Department.
 - Conducted multiple IAB meetings to obtain feedback from the board pertaining to the Department PEOs, SOs, curriculum, etc.
 - Involved the IAB with the assessment plan of the Computer Science and Information Systems courses.

- American University of Kuwait, Dean's Counsel, College of Engineering and Applied Sciences, August 2019-September 2020.
- A member of the University Curriculum Committee at the American University of Kuwait (2019-2020).
- A member of the College Grade Appeal Committee at the American University of Kuwait (2019-2020).
- A member of the College Assessment Committee at the American University of Kuwait (2019-2020).
- A member of the Workflow Committee at the American University of Kuwait (2019-2020)
- A member of the ABET Accreditation Steering Committee at the Engineering Department, Computer and Electrical Engineering, American University of Kuwait (2017 - 2021).
- A member of the AACSB Accreditation Committee at the College of Business and Economics, American University of Kuwait (2017 to present).
- A member of the University Curriculum Committee at the American University of Kuwait (2017-2018).
- A member of the Academic Computing and Technology Committee at the American University of Kuwait (2017-2018 & 2018-2019).
- A member of the Founder Award Committee at the American University of Kuwait (2016-2017).
- A member of the IT Director Search Committee at the American University of Kuwait (2016-2017).
- A member of the College Assessment Committee at the American University of Kuwait (2015-2016)
- A member of the Degree-works Committee at the American University of Kuwait (2015-2016)
- A member of the Workflow Committee at the American University of Kuwait (2014-2015)
- A member of the Academic Policies and Procedures Committee at the American University of Kuwait (2014-2015)
- A member of the College Curriculum Committee – College of Arts and Sciences at the American University of Kuwait (2014-2015)
- A member of the Academic Policies and Procedures Committee at the American University of Kuwait (2013-2014)
- A member of the College Curriculum Committee – College of Arts and Sciences at the American University of Kuwait (2013-2014)
- A member of the ABET Accreditation Committee – Department of Computer Science and Information Systems at American University of Kuwait (2013-2014)
- A member on the Faculty Academic Board for the Faculty of Science and Engineering - Queensland University of Technology (QUT) – Australia.
- Program Committee of the 15th Pacific Conference on Information Systems (PACIS 2011).
- Assistant Organizing Chair (Doctoral Consortium) of the 15th Pacific Conference on Information Systems (PACIS 2011).
- Program Committee of the 14th Pacific Conference on Information Systems (PACIS 2010).
- Program Committee of the 21st Australasian Conference on Information Systems (ACIS 2010).
- Program Committee of the 5th International Conference on Qualitative Research in IT & IT in Qualitative Research (QualIT2010).
- Program Committee of the 20th Australasian Conference on Information Systems (ACIS 2009).

Professional Society Membership

- ABET CAC Accreditation Program Evaluator (PEV)
- Member of the Association of Information Systems (AIS).
- Member of the Association for Computing Machinery (ACM).
- Member of the Australian Computer Society (ACS).
- Member of the Informing Science Institute (ISI).

ABET Accreditation Information Systems Program Evaluator Visits

- ABET Accreditation Program Evaluator - Alabama, 10/23-25/2025, USA.
- ABET Accreditation Program Evaluator - Pennsylvania, 10/17-19/2021, USA.
- ABET Accreditation Program Evaluator - Tennessee 02/07-09/2021, USA.
- ABET Accreditation Program Evaluator - Boston 09/22-24/2019, USA.

Theses Examination

- PhD Thesis – Title: *The Impact of Social Capital and Collaboration Quality of E-Government Systems on Knowledge Sharing Behavior in Saudi Arabia*. Curtin University, Australia, December 2021.

Reviewing

Journals

- Journal of Strategic Information Systems (JSIS).
- European Journal of Information Systems (EJIS)
- Communications of the Association for Information Systems (CAIS)
- International Journal of Human-Computer Interactions (IJHCI)
- Asia Pacific Journal of Information Systems (APJIS)
- Journal of Big Data: Theory and Practice (JBDTP)
- International Journal of Business Information Systems (IJBIS)
- International Journal of Enterprise Systems Integration and Interoperability (IJESII)
- Information and Management (I&M).
- Decision Sciences (DS).
- International Journal of Information System Modeling and Design (IJISMD).

Conferences

- International Conference on Information Systems (ICIS).
- Advisory Committee - 2nd International Business Analytics Conference.
- 51st Annual Northeast Decision Sciences Institute (NEDSI) Conference
- Pacific Asia Conference on Information Systems (PACIS).
- American Conference on Information Systems (AMCIS).
- European Conference on Information Systems (ECIS).
- Australasia Conference on Information Systems (ACIS).
- Middle Eastern Conference on Information Systems (MECIS)
- International Conference on Qualitative Research in IT & IT in Qualitative Research (QualIT).
